

EARLY YEARS PROGRAM

where Curiosity Blossoms.

**JANUARY
2025
EDITION**

Warm regards,
Principal.

A joyful journey of curiosity, creativity, and hands-on learning!

PP II Superstars

– Weather Wonders and Learning Thunder!

Themes in Focus

Water and Weather explorations made learning a splash!

Math Marvels

Hands-on activities in subtraction exercises brought numbers to life.

English Stars

Digraphs (bl and cl) mastered through engaging word-building.

Storytime Highlight

"I can Climb" introduced sight words in a fun, relatable way.

**Big Steps,
Bigger Discoveries!**

PP I Explorers

– Counting, Creating and Curious Minds!

Math Focus:

"Adding One More" taught through hands-on games and fun tasks.

Learning Themes:

The Food We Eat and Transport fueled curiosity and creativity.

English Progress:

Confidence boosted by reading 2-3 letter words with vowels a and e.

Little Learners, Limitless Potential !

Nursery Trailblazers

– "Tiny Hands, Mighty Explorers!"

Exploring English:
Blow painting and
spray painting
to learn L & M.

Themes Explored:
My Toys and
My Garden created
wonder-filled experiences.

Numeracy Play:
Positional words (In & Out,
On & Under) taught through
interactive games.

Special Welcome: First Steps to a Magical Journey!

A warm welcome to our newest Nursery stars who began their learning adventure on 16th January 2025. Watching them bloom has been a joy!

Big Adventures for Little Learners !

Creativity Unleashed – "Bright Ideas from Little Hands!"

Artful Expressions:
Blow painting & paper crafts
showcased budding creativity.

Story Time:
Storytelling unlocked
endless imagination.

Melody and Movement:
Joyful singing and dancing
celebrated rhythm & energy.

Imagination in Action!

Active Movers and Thinkers

"Healthy Bodies, Growing Minds!"

Fine Motor Skills (FMS):

Sand play and picking - up exercises honed precision.

Gross Motor Skills (GMS):

Races, ball games and active play kept energy levels high.

Physical Play: Every jump, run and skip strengthened focus and fitness.

Moving, Grooving and Growing Stronger!

Special Moments and Celebrations

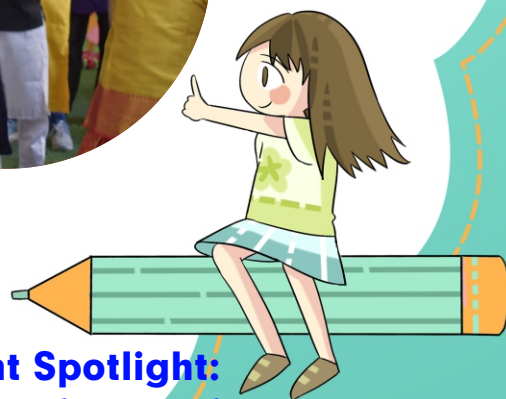

– "Joyful Learning, Memorable Celebrations!"

Morning Magic:
Welcome activities filled
days with smiles and
excitement.

Sankranti Spark:
Rangoli, crafts and
harvest stories
celebrated tradition.

Student Spotlight:
PP II students showcased
confidence in a stellar
assembly performance.

Republic Day Pride:
Tricolor crafts and
patriotic songs ignited
love for the nation.

Where Every Moment is Magical !

ST. PETER'S
HIGH SCHOOL
LET YOUR CHILD BLOSSOM

Capturing Joy, Celebrating Growth!

Exciting Times Ahead!

Dear PP II stars,
Gear up for your big day
as you take a joyful
step into the next
chapter of your
school journey!

**Every child's journey is special. Together, we build dreams and bright futures.
Stay tuned for more updates in the next edition of Peter's Patter!**

PETER'S PATER

PRIMARY PROGRAM

Building Bright Futures!

Inspiring Young Minds to Shine!

Dear Readers,

January has been a remarkable journey filled with discovery and creativity for our young learners. Their curiosity inspires us to nurture their bright futures and celebrate every milestone.

Warm regards,
Principal.

Bright Smiles, Brighter Futures!

Primary Wing

- Joyful Learning Every Day!

Start Strong:

Energizing Mornings

– Stretches,
mindfulness
and fun to
kickstart
the day.

Recharge Right:

Balanced Bio Breaks

– Relaxation
and snacks keep
students energized.

Grow Together:

Enrichment
for Excellence

– Storytelling,
games and
teamwork for
holistic learning.

Memorable Days:

Laughter and Learning

– Joyful projects and outdoor
activities filled the month.

Joyful Learning, Every Step of the Way!

Class I - Adventures in Learning!

Little Story Explorers:
Engaging English
– Stories like The Rooster and Pinocchio Runs Away sparked creativity.

Rhythmic Learners:
Honing Hindi
– Rhymes and lessons on ओ and औ की मात्रा made language fun.

Math Magicians:
Fun with Numbers
– Subtraction games and Length, Weight, and Capacity activities excited young minds.

Cultural Connections:
Thriving in Telugu – Tales like మూకుడు and ఎలుక-ఏనుగు enriched learning.

World Explorers:
Discovering Surroundings
– Topics like Air Around Us and Healthy Life created awareness.

Curiosity Leads to Discovery!

Class II

- Exploring Creativity and Curiosity!

Creative Writers: Expressive English
– Activities like If I Were and Writing a Poem inspired imagination.

Exploration Enthusiasts:
The World Around Us
– Engaging with newspapers and FM radio brought real-time learning about transport and communication.

Proficient Learners:

Hindi Harmony – Engaging lessons like गोपी की हाजिरजवाबी highlighted the value of wit and intelligence in problem-solving.

Skill Masters:

Telugu Tales – Narratives like కోడిపిల్ల and grammar exercises sharpened language skills.

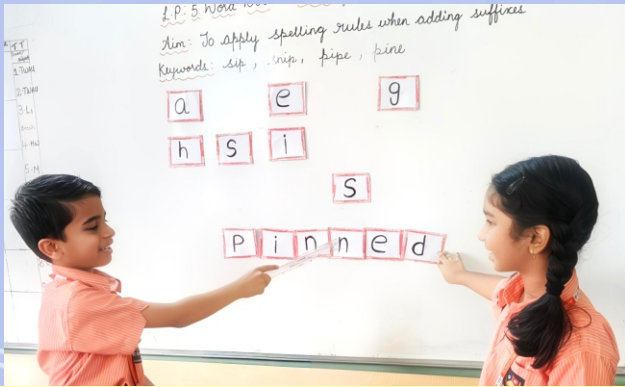

Data Discoverers:
Math Explorers – Learning Handling Data through charts and patterns thrilled students.

Exploring New Horizons Together!

Class III-Dreaming Big and Thinking Bright!

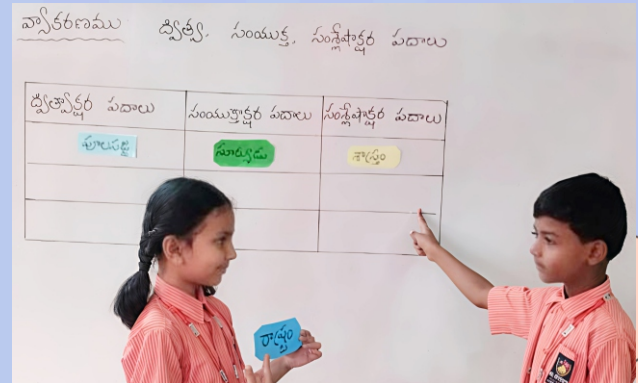

Grammar Gurus: Mastering English –Suffixes (-ed,-ing) and lessons on soft and hard sounds boosted grammar.

Value Nurturers: Heartful Hindi – Inspiring stories such as परोपकार and मीठी वाणी instilled the virtues of kindness and compassion.

World Explorers: Natural Wonders – Hands-on activities that involved comparing and contrasting hills and mountains sparked curiosity about Earth's diverse landforms.

Fluency Builders: Telugu Treasures – Stories like చెట్టు కోరిక and grammar activities boosted fluency and confidence.

Analytical Minds: Math Whizzes – Interpreting and representing data in Handling Data developed skills.

Dream Big, Think Bright!

Beyond Books: Unleashing Talents!

Active Champions:

Sporting Stars – Swimming, Taekwondo, and chess built teamwork and energy.

Club Creators:

Buzzing Clubs – STEM, Language Enrichment, and Life Skills Clubs fostered creativity.

Curious Readers:

Books We Love –

Little Painters and Bath Time for Chunnu and Munnu charmed young minds of Class I .
Sringeri Srinivas Learns to Laugh and Annual Haircut Day blended fun and learning in Class II.
The Trees That Grandma Did Not Plant inspired environmental conversations in Class III.

Unleashing Talents, Beyond the Books!

Expressing Through Art, Music, and Dance!

Artful Hands:

Nature's Creativity

– Collage, paper cutting and watercolor art brought nature to life.

Rhythmic Souls:

Musical Vibes

– Songs and dance routines enlivened the classrooms.

Cultural Celebrations:

Rangoli and festive crafts highlighted traditions of Sankranti. Patriotic performances and tricolor crafts inspired pride on the occasion of Republic Day.

Confident presentations in Student-Led Conferences reflected their progress and creativity.

Art, Music, and Dance: Expressions of Joy!

PETER'S PATTTER

2025 Vol III

Shaping Future Leaders: Learning Beyond Textbooks

Principal's Message:

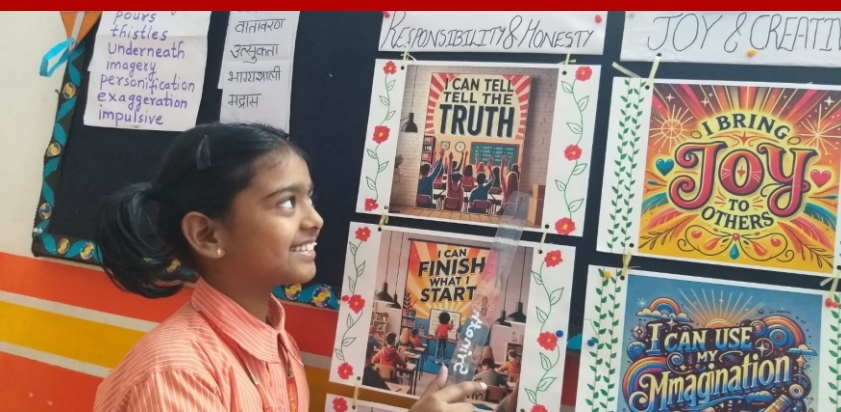

Dear Students, Parents, and Educators,
At St. Peter's High School, we provide more than just education—we nurture innovation, confidence, and values that shape future leaders. Learning here goes beyond textbooks; it's a journey of exploration, creativity, and real-world application. Through hands-on experiences, problem-solving challenges, and a strong foundation of ethics, our students don't just learn—they think, create, and lead. This is where they begin writing their stories of success, armed with knowledge, resilience, and a vision for the future. Together, let's continue to inspire young minds to dream big and achieve even bigger!

Dr. K.Suvarna.

Empowering Young Minds, One Experience at a Time!

Joyful Learning, Bright Futures!

A Positive Start to Every School Day!

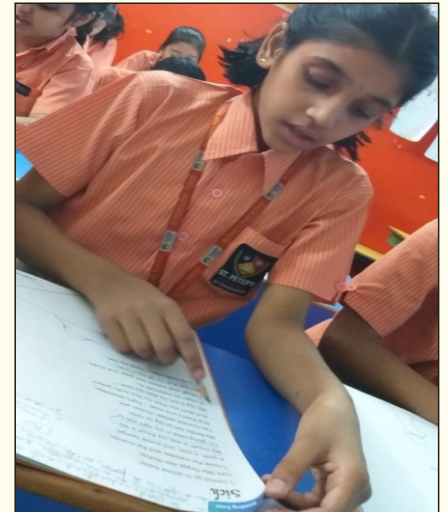

All our students begin each morning with enthusiasm and joy! With uplifting affirmations and cheerful greetings, they step into school feeling motivated and ready to learn. A happy mind leads to a great day of learning!

Class IV Brings Poetry to Life!

Our enthusiastic Class IV students came together for the Choral Recite Aloud activity, turning poetry into a joyful and expressive experience! With synchronized voices, rhythmic flow, and lively expressions, they embraced the beauty of words and the magic of poetry. This engaging activity not only deepened their appreciation for poetry but also boosted their confidence, teamwork, and love for language. Well done, young poets!

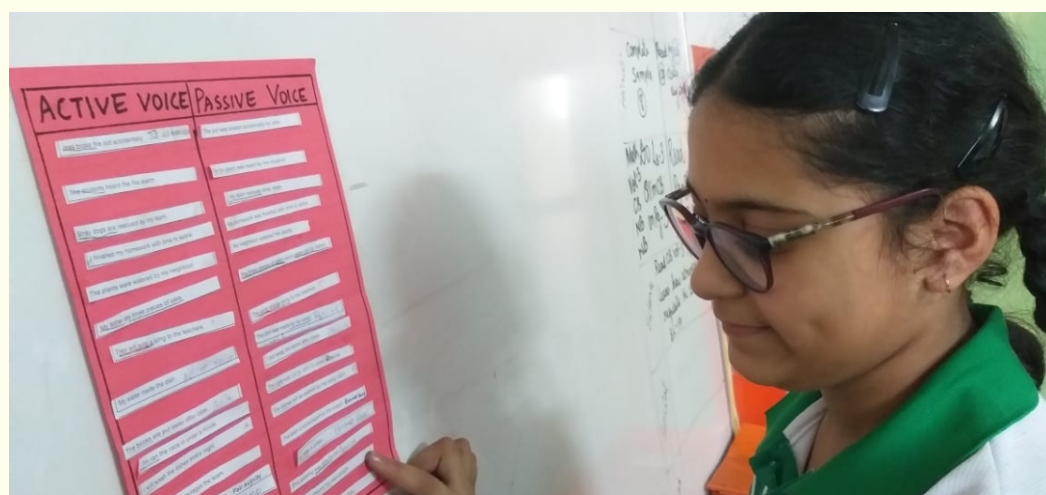

Cultivating Young Readers in Class VI!

Our Class VI students are making the most of their bio - breaks by engaging in newspaper and book reading! This habit not only nurtures a love for current affairs and literature but also sharpens critical thinking and enhances Listening - Speaking - Reading - Writing (LSRW) skills.

Active or Passive? The Flying Robot Challenge!

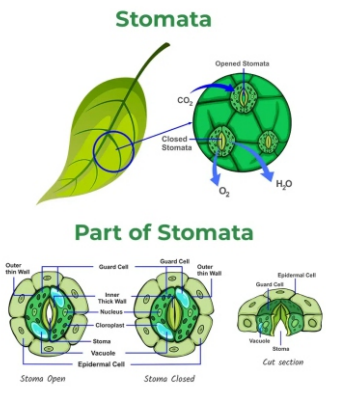

Our Class V students had an exciting time sorting sentences from The Story of the Flying Robot into Active Voice and Passive Voice! They read, analyzed, and categorized sentences like language detectives! Check out their enthusiasm in action!

Language, Logic, Leadership!

Exploring Stomata: A Closer Look in the Bio Lab!

Our Class X students delved into the microscopic world of stomata in their Biology class, actively preparing and observing slides in the Bio Lab at the Labs Complex. This hands-on session brought textbook concepts to life, making learning both engaging and insightful!

Building Language Competencies through Group Discussion!

Our Class VIII students engage in lively group discussions, diving deep into the world of English Language and Literature, sharpening their communication skills and expanding their understanding. From literature analysis to language mastery, every conversation enhances their confidence and knowledge!

Hands-on Learning in Grade VII

Our Grade VII students explored the fascinating world of Concave and Convex Mirrors through an engaging hands-on activity. This interactive session deepened their understanding of reflection and optics!

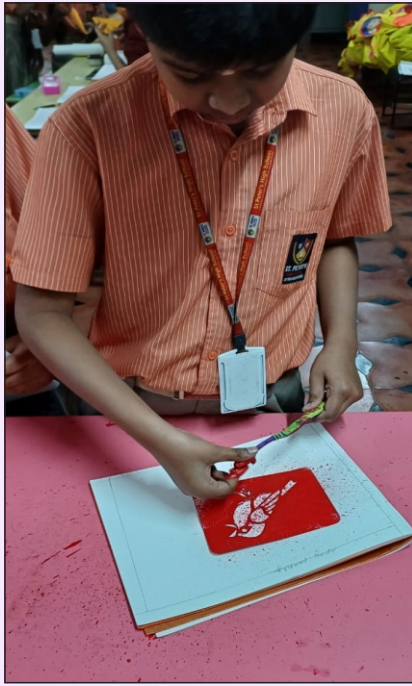

Algebra Made Fun and Hands-On!

In Class VII, students are exploring the world of algebra in a creative and critical way, using algebraic tiles to master the addition and subtraction of algebraic expressions. This hands-on activity is sparking their problem-solving skills while making abstract concepts more tangible and engaging!

Creativity, Strategy, and Strength in Action!

Little Artists at Work – Spray Painting Fun!

Our talented Class IV students are having a blast exploring the magic of Spray Painting! With colors misting onto paper, their creativity is flowing freely, turning simple surfaces into stunning masterpieces.

Turning Trash into Treasure & Designing with Style!

Our Class X students are unleashing their creativity in the art studio, turning waste materials into stunning decor designs. From repurposing old items to crafting unique decorative pieces, they're embracing sustainability while exploring their design skills!

Crafting Beauty in the Art Studio!

Our Class IV students are bringing creativity to life in the art studio, mastering the art of origami to create stunning flowers. With every fold, they're not just crafting, but also building patience, precision, and artistic expression!

SPHS Sports Stars Shine on the Big Stage!

Our students continue to make us proud with their exceptional achievements in martial arts and gymnastics, showcasing talent, discipline, and perseverance.

B.Avnish, Class VIII–Taekwondo Cadet Champion of Champions 2025 (Kyorugi), demonstrating skill and strength in the ring.

M. Sunidhi Chandra, Class VIII – Outstanding performance in Artistic Gymnastics, displaying grace, agility, and dedication.

Mamidala Mokshita, Class VI – A remarkable feat at the International Open Karate Championship, proving her excellence on the global stage.

Congratulations to our young athletes for their hard work and determination—your victories inspire us all!

Champions in Sports, Arts, and Strategy!

Igniting Creativity, Talent, and Mindfulness!

♟ Strategic Minds at Play!

Chess isn't just a game—it's a workout for the brain! Our students showcased their problem-solving, critical thinking, and decision-making skills while enjoying a great game of chess. With every move, they're learning strategy, patience, and focus. ♟

Exploring Creativity and Innovation: Student Clubs at SPHS

At St. Peter's High School, student clubs provide a dynamic platform for hands-on learning beyond textbooks.

Mass Media & Photography Club – Capturing stories through the lens, students explore the art of visual storytelling and media production.

Entrepreneurship Club – Future leaders in the making, students develop business acumen, problem-solving skills, and innovative thinking.

TED-Ed Club – A stage for young voices, where students refine their public speaking, critical thinking, and idea-sharing abilities.

Through these diverse experiences, our students learn, create, and lead, preparing for a future filled with possibilities!

St. Peter's High School Shines at Happy Streets!

Music filled the air as our talented students Rishikesh, Yuvan Sai, and Rishon delivered a mesmerizing instrumental performance at the Times of India's Happy Streets on 16th February. Under the guidance of Mr. Samson, their soulful melodies captivated the audience, reflecting their passion and dedication to music. A proud moment for St. Peter's High School—celebrating the power of talent and expression!

D.E.A.M. – Drop Everything And Meditate

At St. Peter's High School, senior students practice D.E.A.M. (Drop Everything And Meditate)—a mindful initiative for mental well-being. Through guided meditation, they take a pause to relax, refocus, and recharge, fostering clarity, resilience, and inner balance. A small step towards a healthier mind and a brighter future!

Express, Perform, and Elevate!

Farewell, Class XII – Batch of 2025

An emotional and memorable morning as St. Peter's High School bid adieu to the Class XII, Batch of 2025. The farewell was a heartwarming celebration filled with speeches, performances, and nostalgic moments, capturing the essence of friendships, lessons, and cherished memories. As our students step into new beginnings, we remind them to carry forward the values, knowledge, and spirit of a true Peterite. Once a Peterite, always a Peterite!

-Class Of-
2025
GRADUATION
★★★★★

Class XII Graduation – A Night to Remember!

A night of pride, nostalgia, and new aspirations, the Class XII Graduation Ceremony celebrated the achievements and journey of our graduates. The event featured an inspiring Keynote Address by Wing Commander Kalyan Chakravarthy, honors presented by Shri T. Bala Reddy, and words of wisdom from Shri T. A. Reddy. With parents applauding the school's commitment to excellence, the ceremony was a perfect blend of tradition and ambition. As our graduates turn their tassels, we wish them success in their next chapter-soar high and shine bright!

Once a Peterite, Always a Peterite!

SPHS Innovators Leading the Future!

SPHS Innovators Shine in IBM & 1M1B Green Internship

A proud moment for St. Peter's High School as our students secure a spot among the Top 100 high school innovators from India in the IBM & 1M1B - Future Tech & Sustainable Smart City Challenge! Their groundbreaking ideas for a sustainable future have earned them the opportunity to participate in the Green Internships for High School Students, a prestigious week-long virtual internship from January 30 to February 5, 2025. Guided by IBM mentors, our students collaborated in teams, tackled real-world sustainability challenges, and pitched innovative solutions. This hands-on experience not only honed their problem-solving and teamwork skills but also provided invaluable industry exposure.

Congratulations to our young changemakers for making a difference!

GANTI SAI KAPIL AKASH
Team: PLANET REBOOT

PADMANABHA GUPTA
Team: LOOPY WARDROBES

It is with immense pleasure that we share that 2 projects from our school have been selected as the Top 2 Projects from the GREEN INTERNSHIP, organised by IBM & 1M1B. The teams, comprising students from varied schools, stood out among the Top 100 students nationally and Top 10 teams participating in the internship. Congratulations on this exceptional achievement! This success is a testament to the creativity, effort, and passion that our learning framework has poured in.

Sustainable Ideas, Impactful Solutions!

SPHS Innovators Breaking Boundaries!

St. Peter's High School Advances to Nationals in INSPIRE Manak Awards

We are proud to announce that Kanukula Aarvi Reddy of St. Peter's High School has qualified for the National-Level INSPIRE Manak Exhibition with her innovative project, a Voice-Controlled Wheelchair for the Physically Disabled. Selected from 3,054 participants, she is one of two students from Hyderabad to reach this prestigious stage. Her project was appreciated by the District Collector at the State-Level Exhibition held from 7th to 9th January, where she secured a place among the top 30 students in Telangana. We congratulate Aarvi on this incredible achievement and wish her the best as she represents the state at the National-Level Exhibition!

SPHS Innovation Featured in IBM AI Impact Book!

St. Peter's High School continues to make strides in cutting-edge technology! Our student, Aarvi Reddy, under the expert mentorship of Mrs. Nisha Singh, has developed the "Voice Recognition Wheelchair" project, which has been shortlisted for the prestigious IBM AI Impact Book—a publication showcasing the best AI-driven innovations from schools in the IBM SkillsBuild program. This recognition highlights Aarvi's ingenuity and Mrs. Nisha Singh's dedication to fostering innovation. The project will also be featured in a special impact video, emphasizing its potential to revolutionize assistive technology. We are proud of Aarvi Reddy and Mrs. Nisha Singh for their outstanding contribution to AI-driven solutions for social impact!

Kripa Pareek Represents SPHS on IBM & 1M1B Facebook Live!

We are proud to share that Kripa Pareek (Grade 9) of St. Peter's High School, New Bowenpally, successfully participated in the 1M1B & IBM SkillsBuild Facebook Live session on 7th March. Kripa showcased her insights on innovation and technology, representing SPHS on a prestigious global platform. Her participation highlighted the school's commitment to nurturing future-ready leaders in AI and sustainability. Congratulations to Kripa Pareek for this remarkable achievement!

Pioneering AI & Innovation for a Better Tomorrow!

SPHS Champions Sustainability & Innovation!

SPHS Honored as Hyderabad Green Champion School!

St. Peter's High School has been awarded the prestigious Energy Star School Award and recognized as the Hyderabad Green Champion School 2024-25 at the Conserve My Planet Program! Individual Achievements: Prakalya – Hyderabad Green Champion 2024-25 Prakalya, Charu Hasini & Anvitha – Star Green Ambassadors 2024-25

Mrs. Nisha Singh – Energy Star Teacher 2024-25 Adding to the honors, our school also received Special Recognition for Best Teacher Video.

This achievement reflects our dedication to sustainability and environmental awareness. Kudos to our students and faculty for leading the way toward a greener future!

SPHS Students Shine at Vivo Ignite: Technology Innovation Initiative Awards!

Innovation thrives at St. Peter's High School! Few of our brilliant students have been recognized at the prestigious Vivo Ignite: Technology Innovation Initiative Awards for their exceptional creativity, problem-solving skills, and technological advancements. This achievement highlights their forward-thinking approach and commitment to innovation in various fields. We congratulate them on this well-deserved recognition and look forward to seeing their ideas shape the future!

Leading the Way in Green Initiatives & Tech Excellence!

Alumni Spotlight: J. Medhansh – Pioneering Innovation in Robotics

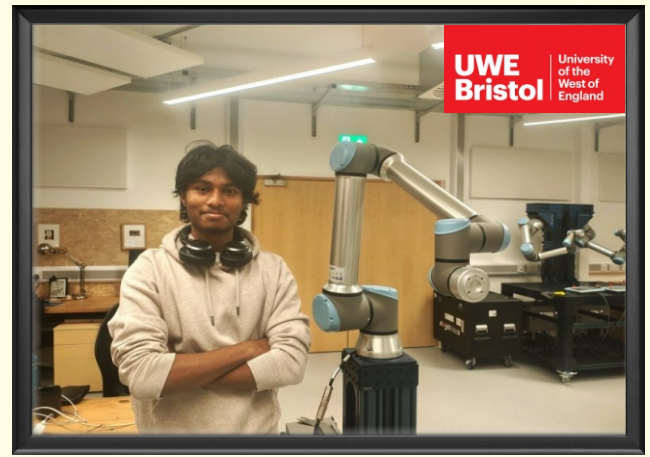

We're proud to celebrate the achievements of our alumnus, J. Medhansh, who is making a mark in robotics and engineering!

A BEng (Hons) Mechatronics Engineering graduate from the University of the West of England, Medhansh is:

- ◆ Student Ambassador
- ◆ Vice President, UWE Robotics Society

His accomplishments inspire our students to drive meaningful change through dedication and knowledge.

Congratulations, Medhansh!

Teacher Spotlight: Mrs. Nisha Singh at National Science Day Seminar

We proudly celebrate Mrs. Nisha Singh for her selection to participate in the SCERT National Science Day Seminar. Her passion for innovation and education continues to inspire our students. Congratulations on this well-deserved honor!

Celebrating National Science Day!

Our students celebrated National Science Day by participating in poster making contests and visiting prestigious institutions like ISRO, CSIR-IICT, CDFD and Rashtrapathi Nilayam! Fostering curiosity and innovation in young minds!

St. Peter's High School Shines at BITS Pilani's National Science Day!

We're thrilled to announce that our students, Ruqaiya Khasim, Agravanya Kumar, Rohit Sharma, Kripa Pareek, and Padmanabha Gupta, won the first prize in the Science Model Presentation at BITS Pilani, Hyderabad Campus! Their innovative project, "The Energy Harvester- Ecobump", showcased exceptional creativity, technical excellence, and real-world impact. Congratulations to our champions and their mentors!

Birla Institute of Technology & Science

Celebrating a Legacy of 20 & 10 Years of Service!

Two Decades of Inspiring Minds – Honoring 20 Years of Excellence

At St. Peter's High School, we take immense pride in celebrating 20 years of dedicated service by some of our most cherished faculty and staff. Their unwavering commitment and deep sense of belonging have shaped countless young minds and strengthened the St. Peter's community. With pride in their hearts, they have not only contributed to the school's growth but have also made its values their own. To honor their remarkable journey, we proudly presented them with the 'Two Decades of Inspiring Minds – Honoring 20 Years of Excellence' award—a heartfelt tribute to their passion, perseverance, and lasting impact.
